

POLICY ON ELTHAM BASKETBALL CLUB - ETIQUETTE

ETIQUETTE- forbidding unprofessional conduct.

It has become apparent that basketball, in general, does not have ETIQUETTE around the playing court, both on and off the court.

This document is designed for the Eltham Basketball Club to become a leader in developing a culture of etiquette around our club.

We should, where ever possible, endeavor to:

AT GAMES:

- Stretch and warm-up at the end of the court where there is adequate space and the players will not interfere with others
- Do not walk past the player's benches when the game is in progress.
- When the game is finished, gather all the teams' possessions and take the team to an area away from the bench, where a post match discussion can take place.
- Do not occupy the bench before the game, until the previous team that occupied the bench has moved away.
- Do not commence warm-ups on the court until the referees have blown full time for the previous game.
- Do not walk past the end of the court, under the ring, if a player is having foul shots.

AT TRAINING:

- Always be at training early.
- Do not occupy the court or have shots on the court, until the team training before you have finished, and the coaches give you permission.
- Do not run your training overtime if there is a team waiting to play or train after you.
- Look after all of the equipment and the venue, and always report any damage to the facilities to the Eltham Basketball Club Office.
- Do not slam dunk or hang of the ring.
- If you are not going to use the training space, notify the club office as soon as you can.
- If you are last to leave a venue make sure someone is responsible to lock up and return the keys to the Club Office.

GENERAL:

- Wear appropriate clothing to training. You cannot train in jeans and street shoes.
- All players should take a water bottle to training.
- Never drink out of another player's water bottle.
- Always show respect towards other players, coaches, officials and parents.
