TOURNAMENTS POLICY

Eltham Wildcats shall continue to consider away tournaments as a valued experience for its players and their families, and encourage teams to participate in tournaments.

Except in the special circumstances indicated below, all tournaments shall be on a user-pay basis.

Special efforts shall be made to support the tournaments of those associations/clubs which support the Eltham tournament which, for the remainder of this document, shall be referred to as 'Supported Tournaments'.

The General Committee of the Club affirms that all championship teams should attend at least one 'Supported Tournament' each competitive year and requests championship committees to co-operate in this policy.

Up to \$50.00 accommodation, travel or entry costs will be available to coaches, upon appropriate submission, for costs associated with attendance at a Supported Tournament, except that no coach will be eligible for more than \$100 in a competitive year.

Where the Away Tournaments Administrator believes special encouragement is needed for attendance at a Supported Tournament, then that person may discount team registration fees by up to 40%.

Where teams are formed for special development or opportunity for those who do not normally go to tournaments, team registration fees may be discounted up to 20%. This will apply where no more than one player is a championship player.

In the case of Supported Tournaments, the Club shall pay registration fees and take responsibility for entry forms.

In the case of other tournaments, teams shall be responsible for sending their own entry forms and registration fees.
