

NAME NOT ON THE LISTS?

It is probably because we think you have not yet enrolled.

**** If you have not yet enrolled you are not entitled to play in Round One unless you do so in time for team allocation. You and a coach are not entitled to make private arrangements. Ineligible players will be penalised.

However, it might be because we have made an error. If so, please contact your Age Group Convenor by email. Please do not phone the Office
