

## **ANGELA BEARZATTO**

Angela, mother of Danny, Phillip, Luke and Jessica, was never prepared to be just a recipient of Club assistance, so was soon volunteering for tasks around the Club. After involvement in helping Our Lady's School in the Club Primary Competition, in the Art Show, and typing the PROWL newsletter. Angela took on the huge task of Subscriptions Secretary, which meant not only record-keeping but chasing those who were late in player payments. She assisted those selecting teams by continuous up-dating of enrolments. Angela was also busy helping the Women's program in which Jessica was a key performer. Finally, Angela and Tony prepared the venue manual and box of required notices and useful materials for the tournament and then tallied the takings and banked them. That was after Angela had received life membership in 2005.
