

CHRIS LAMB

Chris originally coached for the small Surrey Hill Miscellaneous Activities Club which participated in the EDJBA (they eventually became part of Whitehorse). He became a championship coach at Eltham, coaching principally younger boys' teams. He also assisted the Club as a referee, and for several years appointed referees to the tournament. Chris continued to help with tournament fixtures, donating the boards, which for decades were marked out for tournament venues. Chris was also involved in assisting with Port Sorrell camps. His most memorable achievement was coaching the Club's first A grade (=VC) premiership team, 12A Boys in 1992. Chris gained life membership in 1990. He also coached his son, Alex in Saturday competition.
