

DALE WESTON

Dale started his basketball career much later than most players of that era. By under 16s he made a lower championship team, and from there worked his way to the first team in Under 20s. Development continued, so he went on to be a regular member of the top Eltham Big V team and captain of the team for many years. But meanwhile Dale was helping the club as a junior and then senior administrator, an occasional coach and a referee. He continued to assist as an administrator both weekly and in the Tournament and as a referee for many years. When he earned life membership in 2018, he became the equal first son-father combination for that award. In 2022 he is back coaching again.
