

D'WAYNE HOGAN

D'Wayne, son of Dennis and Yvonne, and now husband of Paula, also a life member, soon made his mark as a strong player in the EDJBA and Championship competitions. But he was also an early starter as junior administrator (age 12) and coach (age 13), as which he was involved in both boys' and girls' programs. He then moved into championship coaching for the boys' 1992-95 and girls 1996-2001. D'Wayne also became involved in the women's senior championship program as a team manager and then coach 1997 and from 2016 to the current 2022. His enthusiasm and dedication to coaching were also exemplified by help with clinics, training new coaches and coaching at some BV camps. A highlight was taking his Under 14 girls' championship team to the Australian championships and finishing in bronze medal position in 2017. D'Wayne earned life membership in 2018.
