

GARY JONES

Gary is the father of Adam, Kylie and Troy, who all were significant players and helpers in the Club. He soon became an active contributor as a referee, a coach and also helping run a venue in the Eltham Tournament. He was an enthusiastic supporter of the Art Show and other fund-raising. Later Gary became one of the most hard-working referee coaches, particularly on Friday evenings. In addition to his formal duties, he and Lyn were often hosting suppers at their home. The Jones family won the Supporters' Award in the 1998/99 season, after many years of service but Gary was still working around the Club in 2019. He gained life membership in 2005.
