

JASON HARRIS

Jason, the son of life member Lorraine, was a strong player, noted especially for his defence. Before his junior career was far advanced, Jason was assisting the Club as a junior administrator and coach. He then moved into championship coaching, contributing also to a number of Port Sorrell camps. After a break, featuring being a mechanic for V8 supercars and establishing a family and business, Jason returned with the involvement of his sons Bailey and Max, and has been coaching at various levels for a decade. He has a great partnership with his mother who assists his efforts. Wife, Shelley, who was also a player in the Club has also assisted as a coach. In 2019 Jason assisted with a program designed to support and educate coaches at the Under 13 level. In 2022 he was appointed to the role of Championship Co-ordinator for Under 12s & 14s. Jason was awarded life membership in 2018.
