

## **JILL GOOCH**

Jill first became involved in the Club when her son Peter started playing in 1971, followed soon after by her daughters Kerry, Shelley and Jodi. As head of the administrative section of the La Trobe University Sociology Department, Jill's skills were soon utilised in helping produce newsletters and other documents for the club. From 1978 to 1983 she was Club Secretary. At the same time Jill, assisted by Lyn Burnham, was the organising force behind the development of girls' championship teams in which Jodi Gooch was a key member. Jill also became an expert in tour organisation, being involved with a tour of the Eastern coast of Australia and then New Zealand in 1981. Jill was awarded life membership in 1982.
