

JOAN WAIN

Joan and Neil Wain became helpers in the Club as their sons Peter and Brad, both outstanding players who made Victorian state teams, became involved late in the 1970s. Joan joined the Committee and became Uniforms Co-ordinator, a huge job run from home when there was no shop, continuing in that task for over a decade. Joan was also a major initiator of fund-raising efforts in the Club, for instance organising a fashion parade. Neil assisted by doing practical jobs around the venue. Joan and Neil were leaders in the 1981 New Zealand tour. Joan was awarded life membership in 1985.
