

KAYE PEPYAT

Kaye supported her three sons Glen, Andrew and Scott through team managing and scoring, but then took over for a decade the care and distribution of uniforms. She supported strongly all the Club's fund-raising efforts. Then for twenty plus years, every week of the competition, Kaye collected, washed and returned the change sets for the mid-week senior competitions. In the early years of the third decade, she has a grandson playing Championship and Saturdays. Kaye was another recipient of life membership in 1996.
