

KYLIE BROOKS (BARR)

Kylie first made her mark at the Club as a distinguished championship player in juniors and seniors. However, she soon branched out into other areas. She began coaching junior boys' team and soon graduated to VC teams including a team that finished third in VC, unlucky not to defeat a talented Melbourne Tigers team. Following on that, Kylie specialised in running camps, especially at Warburton. Her dedication to helping players achieve led her to being the Club's Saturday Coach Adviser for several years and also membership of the championship boys' committee. Meanwhile Kylie became a major helper in producing fixtures for the Eltham Tournament and also took on venue administration, which prepared for her current role, now at 2022 for over a decade, as Manager of the Rings (Ringwood venue). Kylie had earned life membership in 2003. Kylie is married to life member Steve, and their daughter, Chloe has played in the Eltham Tournament.
