

## **LORRAINE HARRIS**

Lorraine commenced her involvement with basketball when she started organising and often coaching Eltham Primary School teams. Soon Lorraine was coaching Eltham club teams as well, especially with two daughters, Lisa and Sarah and a son Jason playing. Lorraine continued coaching way after her own children finished, but she also branched into organising Port Sorrell camps, tours in Australia, an American tour and being a State Team Manager. She spent years on the Committee and for a few years, being Vice President. To round out her multiple tasks for the Club, Lorraine also undertook venue management during the tournament at Diamond Valley and then Eltham Leisure Centre, adding assisting Angela and Tony Bearzatto in tournament financial management during the 2010-20 period. At the time of writing, (2022), Lorraine is still assisting coaches of her grandchildren, making her one of the five members with the longest association with the club. Life membership was achieved by 1990.
