

MARGARET SALOMON

Margaret became involved with Eltham through the co-operation between Ashwood Basketball Club and Eltham in regard to championship teams and tours, originated through Alan Baxter and Bruce Ford. Her sons Grant and Brendan played championship for Eltham and Grant went on the American tour. Margaret joined the Eltham Committee and then also joined the VABA (now BV) committee, providing a valuable liaison. She was particularly active in supporting the senior championship teams in which Grant became a key member. After nearly a decade of committee service, Margaret was awarded life membership in 1986.
