

ROD FREAME

Rod had a distinguished involvement in the Club as a player, but soon made his impact as a junior coach. From that he took on championship coaching and after an apprenticeship with lower teams he was given a couple of championship teams including a 14VC boys' team, which enjoyed the club's first boys Under 14 VC premiership in a stirring unexpected win against Dandenong on their home court. Rod also serviced the coaches' library for many years. He was awarded life membership in 2007.
