

RON SPENCER

Ron, a Viewbank resident, will forever hold the record for winning most Saturday junior premierships in the Club. He commenced coaching his children, Anne, David and Matthew, but soon branched out into championship coaching, and Saturday coaching of both beginner teams and older teams on Saturdays. A highlight was his success in getting his Under 14 Championship team to the Australian Club Championships in Adelaide in 1981. Ron was awarded life membership in 1981 but continued to coach multiple teams until early in the decade commencing in 2010, holding the record for premierships won. His Under 17 & Under 18 boys' teams were almost routinely EDJBA premiers.
