

STEVE JABLONSKI

Steve, father of Rachel and Steve Junior, contributed to the Club in many ways. He coached numerous girls' and boys' teams and helped with tours. However, Steve's longest commitment was to refereeing. In 1985 he won the President's award for refereeing, but continued for another two decades contributing in this way. In Winter 1995 the work of the Jablonski family was recognised by the Supporters Award. Steve also assisted the Club with his expertise as an electrician. In 2001 he was awarded life membership.
