

## **SUE CROSS**

Sue commenced her involvement with Eltham Wildcats as co-ordinator of Eltham Primary School teams in which her three sons Cameron, Ryan and Heath played. Later she helped to organise the competition. Sue soon became active in many areas of the Club, including being a tour organiser, tournament assistant, EDJBA fixture day helper, and contributor to fund-raising efforts. She became the Club's second part-time clerical assistant, accumulating a huge amount of club knowledge, enabling her to answer members' questions. The Cross family won the Supporters' Award in 92/93 which also reflected on assistance given by Norm Cross in the Tournament food stall and Co-operative banking, and the contribution of the boys. Sue held the administrator position until 2018. She also assisted with the administration of the Eastern regional side of the VJBL for over a decade. Sue was awarded life membership in 1999.
