

TREVOR VANDEN DRIESEN

When son Ben, and daughter Hayley, started playing in 2002, Trevor developed a partnership with Alex Grigoruk as his Assistant Coach. They developed a great culture among a group of players, many of whom stayed together for the next three years. Trevor then became a referee and in 2022 is still officiating on Friday nights. In 2004 Trevor joined the boys' championship committee. In 2011 he became the Chair and continued in that role until 2016. His dedication to fairness and just outcomes was appreciated. Yet a further contribution was through being the venue boss at Eltham High for the first two days of the Tournament for well over a decade. In 2016 Trevor received life membership. In 2022 Trevor was still refereeing for the Club.
