

Thank you for accepting my nomination to join the Eltham Wildcats Basketball Committee. I am deeply passionate about community sport and the positive impact basketball has on children's development, both on and off the court. I have personally loved watching my son develop and build the most supportive friendships he has made with his basketball teammates.

I currently volunteer on the committee of a smaller basketball club as the Team Manager Coordinator, where I assist TM's and support families to build a strong, inclusive foundation within the club. In this role, I coordinate communication between families, TM's, and players to ensure a positive experience for all involved.

As part of my committee responsibilities, I also act as one of the club contacts for PlayHQ, managing team lists, registrations and seasonal updates. My familiarity with PlayHQ allows me to efficiently support club operations and ensure smooth transitions between seasons.

I have a solid understanding of child safety standard policies, which I believe are essential in creating a secure and respectful environment for all players.

Additionally, I have helped increase sponsorship opportunities for our club and have successfully coordinated end of year presentation nights, bringing our community together to celebrate the achievements of our young athletes.

Above all, I remain grounded in the belief that the children are the main focus and priority in all that we do. My goal is to ensure every child has the opportunity to develop their skills, enjoy the game and play in a safe and supportive environment.

I would be honoured to contribute my experience, enthusiasm and commitment to the Eltham Wildcats Basketball Association and help continue building a strong basketball community.

Thank you for considering my nomination.

Emma.
